This map is intended to be a demonstration product only.
Not all facilities identified on this map have been checked
for positional accuracy, currency or completeness. This
map is one of several tools developed by the Minnesota
Geospatial Information Office's (MnGeo) Emergency
Preparedness Committee to help local emergency
managers and GIS staff develop and update critical
structures geospatial data for their community, state and
county. Funding for this effort was provided in part by the
Federal Geographic Data Commission and U.S. Geological
Survey. For more information, contact MnGeo's GIS
Services Supervisor at 651-201-2482 or
